Subject: LU GWMA population

From Second action plan page 9....

2.1.2 Residents

The 2010 census indicated that there were 87,062 people living in Umatilla and Morrow Counties. Using 2010 census data, the population within the six urban growth boundaries (UGBs) around the six cities in the LUBGWMA is estimated to be **31,490**. The rural population of the LUBGWMA (i.e., the people outside UGBs but within the GWMA) is estimated to be **14,830** people. As of the 2015 census, there were 87,721 people living in Umatilla and Morrow Counties.

So 31,490 in cities and 14,830 rural for total population of **46,320 within GWMA** as of 2010 and **some subset of 14,830 on residential wells**.

Adam Baron
